## Find Lightbulb!

Bridge House

You'll find us on the first floor of Bridge House at the traffic lights in Honley. We're above the antique shop. Look out for the black door on Woodhead Road just before the bridge. Ring the bell and we'll buzz you in!

Parking is available behind Bridge House. This is accessed through the stone arch on Station Road. It's a narrow passage way - so watch your wing mirrors! Our visitor spaces are labelled 'Lightbulb.'

Alternatively, there's plenty of parking on Woodhead Road outside the Jacob's Well public house and on New Mill Road by the builders merchants. We are only a minute stroll away.

We look forward to seeing you!
