

## We're here....

If you are using your sat nav you'll need this info: HD9 6PX.

You can find us in above the antique shop on the bridge at the traffic lights in Honley. Look out for the grey door just past the lights on Woodhead Road. Come on in – we're upstairs!

Parking is available behind Bridge House (just off Station Road through the stone arch before the pizza place). Our visitor spaces are labelled 'Lightbulb' – funny that!

Alternatively, there's plenty of parking on the main Woodhead Road outside the Jacob's Well pub and on New Mill Road by the builders merchants.

We look forward to seeing you!

Lightbulb Design Consultancy  
Bridge House, 4 Woodhead Road, Honley, Holmfirth HD9 6PX
